*Let us help you make your wedding day extra special !!*

### *Overview*

Di Lusso Estate is the perfect venue for those seeking a winery wedding; offering carefully prepared Italian cuisine and di Lusso Estate wine, served in a beautiful winery setting.

Our winery and vineyard is situated right in the heart of the Mudgee vineyards. Guests can enjoy their special occasion, with views of the vineyards and lake of di Lusso Estate.

We offer wedding parties several wedding celebration packages, all of which include full access to the garden and vineyard for your ceremony and photography, and the rustic barrel room of the winery Estate wines and we are situated five minutes drive from Mudgee.

In addition to working with wedding parties to deliver a beautiful ceremony and reception, we can also provide a variety of planning services to relieve pressure on you and your family.

### *The Venue*

The owners and team at di Lusso Estate would be delighted to host your wedding ceremony in the gardens or vineyard of the property. We offer the use of two wedding gazebos as well as other beautiful locations on the property.

Our covered pergola area overlooking the lake provides a spectacular start to your reception with canapés being served here while you and your bridal party are having photographs around the vineyard. Set amongst the wine barrels in our winery is a beautiful wedding reception venue, seating one hundred and twenty people with ease – as well as plenty of room for a dance floor.
